6-7 April, 2019  
FAIRMONT HOTEL, JAKARTA

Conference | Workshop | Competition & Award | Exhibition

## ACCREDITATION

## WELCOME NOTE

Dear all participants,

Welcome to The Jakarta International Chest and Critical Care Internal Medicine (JICCIM) 2019 organized by Division Respiriology and Critical Illness, Internal Medicine Department, Faculty of Medicine Universitas Indonesia, Cipto Mangunkusumo Hospital.

Following the success of JICCIM 2018, we proudly present JICCIM 2019 as the seventh annual international event in respirology and critical illness. Participants will be given a big opportunity to get lectures and share sessions about the latest topics in respirology and critical illness with our international medical experts and academicians.

We would like to express our gratitude for the contributions and supports from various organizations, sponsors, and individuals to this event. Finally, to all of participants, we hope you can enjoy and get as many benefits from all of our sequence of symposiums and workshops.

Regards,

Ceva Wicaksono Pitoyo, MD, FINASIM  
Chairman JICCIM 2019

Mira Yulianti, MD  
Head of Organizing Committee
