Dinner Symposium, E-Poster, Winner Announcement and Band Competition	Tuesday April 2 2019	18.30 – 21.30

# MEET THE EXPERT

---

## DIPONEGORO UNIVERSITY

1. Complication of General Anesthesia in Neuroanesthesia Cases
2. Systemic Intoxication of Local Anesthesia Drug

## GAJAH MADA UNIVERSITY

1. Complication of General Anesthesia in Obstetric Cases
2. Complication of Regional Anesthesia in Obstetric Cases

## SEBELAS MARET UNIVERSITY

1. Complication of Neuraxial Block
2. Complication of General Anesthesia in Paediatric Cases

## AIRLANGGA UNIVERSITY

1. Complication of Interventional Pain Management
2. Complication of Regional Anesthesia in Paediatric Cases

## BRAWIJAYA UNIVERSITY

1. Complication of General Anesthesia in Geriatric Cases
2. Complication of Regional Anesthesia in Geriatric Cases

## UDAYANA UNIVERSITY

1. Complication of Peripheral Block Anesthesia
2. Complication of General Anesthesia in Neuroanesthesia

## 1. Airway Management in Patients with Prolonged Ventilation

- Problems Related to Prolonged Intubation and Ventilation
- Risk and Complication of Prolonged Ventilation
- Decision Making Between Tracheostomy and PDT

## 2. Anatomy and Physiology of Airway

- Anatomy, Vascularisation, and Innervation of Upper and Lower Airway
- Physiology of Airway
- Related Structure of Airway

## 3. Indication and Contraindication in PDT

- Indication of PDT
- Relative and Absolute Contraindication
- Risk and Complication

## 4. Skill Station

- Landmarks Identification of Airway
- PDT Technique on Goat

## 5. PDT Technique: Hands on

## 6. PDT and Tracheostomy Care : Concerns on PDT and Tracheostomy Care

## 7. Complication of PDT and Tracheostomy : Early and Late Complications

# WORKSHOP – PAIN MANAGEMENT

## WORKSHOP – PAIN MANAGEMENT

1. Interventional Pain Management – Scalp Block for Awake Craniotomy
2. Block Intervention in Thyroid Surgery
3. Pain Management in Post Thoracotomy Surgery
4. Pain Management in Total Knee Replacement Surgery
5. Pain Management in Total Hips Replacement Surgery
6. Interventional Pain Management in Post Appendectomy and Hernia Surgery

## CONTINUING PROFESSIONAL DEVELOPMENT – CARDIOVASCULAR ANESTHESIA (2 DAYS)

1. Cardiovascular Physiology
2. Pharmacology of Cardiovascular Drug
3. Haemodynamics Monitoring
4. Preoperative Management of Patients with Heart Disorder
5. Perioperative Organ Protection
6. Echocardiography Examination in Emergency and Critical Cases of Cardiology
7. Echocardiography Evaluation of Ventricular Function
8. Perioperative Anticoagulant Management
9. Anesthesia Management in Pregnancy with Heart Disease
10. Anesthesia Management in Adult Patients with Congenital Heart Disorder
11. Anesthesia Management in Patients with Cardiac Implantable Electronic Devices (CIEDs) / Alat Elektronik Kardiovaskular Implan (ALEKA)
  7. Echocardiography Evaluation of Ventricular Function
  8. Perioperative Anticoagulant Management
  9. Anesthesia Management in Pregnancy with Heart Disease
  10. Anesthesia Management in Adult Patients with Congenital Heart Disorder
  11. Anesthesia Management in Patients with Cardiac Implantable Electronic Devices (CIEDs) / Alat Elektronik Kardiovaskular Implan (ALEKA)
12. Anesthesia and Perioperative Cardiovascular Complications
13. Anesthesia in Cardiovascular Intervention Procedure
14. Cardiogenic Shock
15. Fluid Management in Patients with Heart Disease Undergoing Non-Cardiac Surgery
16. Anesthesia Management in Patients with Heart Failure Undergoing Non-Cardiac Surgery
17. Anesthesia Management in Patients with Valvular Heart Disease Undergoing Non-Cardiac Surgery
18. Anesthesia Management in Patients with Ischemic Heart Disease Undergoing Non-Cardiac Surgery
19. Goal Directed Haemodynamics Management

## CONTINUING PROFESSIONAL DEVELOPMENT – REGIONAL ANESTHESIA (2 DAYS)

1. Local Anesthesia Adjuvant
2. Basic USG in Regional Anesthesia
3. Abdominal Wall Block
4. Thoracic Wall Block
5. Upper Limb Block
6. Lower Limb Block
7. Neuraxial Block
8. Recommendations in Regional Anesthesia
9. Complications of Neuraxial Block
10. Medication Error in Spinal Block
11. Neuraxial and Anticoagulants
12. Local Anesthesia Drug
13. The Role of Nerve Stimulator in Nerve Block
14. Neuraxial USG

#### GUIDELINES FOR E-POSTER CCRA 2019

E-Poster which will be sent to the committee in file format, should be considered as following:

1. E-Poster should be formatted in TIFF (\*.tif/\*.tiff) or JPEG extension
2. The file size should not be larger than 10MB
3. The maximum slide number for each E-Poster is 2 slides
4. All E-Poster will be presented in potrait layout
5. E-Poster will be presented in LED screen

The committee do not accept file in the form of animation, video, or audio.

#### GUIDELINE FOR FORMAT OF E-POSTER CCRA 2019

E-Poster cathegories are case report or research paper

Abstract sent out of the deadline will not be accepted

Abstract must be written in English

The presented abstract must include the following:

1. Title is typed in bold, capital letter, and should be specific and brief
2. The Authors should be written in full name, without title and should be underlined

The abstract must explain clearly and brief the problems and objectives of the study, how the research conducted, significant results, and specific conclusions.

Avoid using non standard abbreviations, terms, symbols or acronyms, which may confuse the readers.

#### THE SCREEN FOR E-POSTER CCRA 2019

All E-Poster fulfilling the criterias will be presented in LED screen provided by the committee as slide show

Ten E-Poster chosen by the committee will be presented orally

Schedules, places, and times for presentation will be announced later.

#### ABSTRACT CONSIDERATION

1. Abstract submitted to the committee will be selected by committee team based on quality, clarity, and relevancy with the theme of CCRA 2019
2. The participants of accepted abstract will be notified via email
3. All of participants of accepted abstract should registered in the event symposium
4. Abstract will not be proceeded further if the registration process is not completed by the deadline
5. The schedule, place, date and time of presentation will be annouced later to the participants st by March 31 2019 via email

#### ABSTRACT SUMBMISSION

The abstract must be submitted by **February 15 2019** via email [mte.ccra2019semarang@gmail.com](mailto:mte.ccra2019semarang@gmail.com) A

#### BEST E-POSTER PRESENTATION AWARD

1. The best abstracts will be assessed by the evaluators for E-Poster presentation at CCRA 2019 event
2. All of presented E-Poster will be studied and assessed by evaluators team
3. The best E-Poster will be awarded prize money and certificate nd
4. The announcement of the best e-poster will be notified on April 2 2019 at Gala Dinner.
5. All of the participants must attend on time in the presentation room provided by the committee

**Symposium General Practitioner / Resident**

IDR 1500000

**Workshop PERCUTANEOUS DILATATIONAL TRACHEOSTOMY**

IDR 2500000

**Workshop PAIN MANAGEMENT**

IDR 4500000

**E-poster / abstract**

No file chosen

**Booking Hotel**

I want to book a hotel room

**Aston Deluxe**

IDR 850000

**Total: 0**

excluding hotel bookings (except residents)

**Proof of Payment \***

No file chosen

Panitia MTE CCRA 2019 Bank Mandiri 1350016278077

**Symposium Specialist**

IDR 2500000

**Workshop CARDIOVASCULAR ANESTHESIA**

IDR 4500000

**Workshop PAIN MANAGEMENT REGIONAL ANESTHESIA**

IDR 4500000

**Presentation Abstract**

No file chosen

**Aston Superior**

IDR 650000

**Fulltext**

No file chosen

**Horison Kota Lama**

IDR 440000
