Welcome Messages from The Chairman of National Congress Indonesian Neurological Association

Dear colleagues,

We are grateful, by the mercy of God, we can once again hold our annual neurological scientific meeting, "**The 20th Continuing Neurological Education (CNE) 2020**". An annual scientific program organized by the Department of Neurology, Faculty of Medicine, Airlangga University-Dr. Soetomo General Academic Hospital - Surabaya, Indonesia. This event will be held on **August 14th – 16th, 2020**.

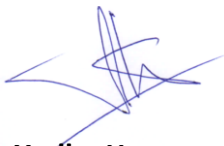

The theme this time is "**The New Innovation and Intervention in Neurology**".

In this event, we would like to reactivate the spirit of innovation in this millennial era of science development in the field of Neurology in order to face global challenges in the future. This scientific meeting is also a place for gathering and exchanging scientific informations or clinical experiences.

We invite colleagues and all related parties to participate in this annual scientific event, which is a little different because of some new innovations. All of which are intended to improve the health status of Indonesian society. This scientific event will comprise symposiums, workshops, scientific posters, and information on pharmaceutical products. Also there will be an evening of intimacy and togetherness packaged in a friendly and thematic "Gathering Night".

We are looking forward to have your presence and participation in this 20th CNE 2020 event.

With Best Our Wishes,

Yudha Haryono
